COSMETICS – SILK PROTEIN

THERASILK

BACK TO THE NATURE

With the developing technology people turned their back to the nature. We forgot that nature serves humans. Silk will provide all key elements your body needs with its naturalness. Instead of fighting with the wrinkles that comes with years, we combined technology with ancient knowledge to aging with its beauty. THERASILK skin care products inhibits the negative effects of external factors via letting your skin breathe.

Anti-aging skin products disrupt the moisture balance of your skin and prevent your skin to breathe. Mineral oil additives make skin burn with acute aridity. Silicone and synthetic products make your skin look good but clog the pores of your skin.

Disruption of the moisture balance of skin reminds us the time passed. Silk protein protects the skin from harmful rays of sun with its UV filter. TheraSilk offers healthy skin while preventing sun spots and providing moisture balance.

THERASILK PROTEIN GEL (SERUM)

It contains aloe vera and silk protein due to the high rate and protecting your skin, gives intense moisture. Deeply it nourishes and smoothes your skin. Specially developed Therasilk silk protein gel with witch hazelnut extract, glycerin, rose water and panthenol will be indispensable for bright and well-groomed skin! How to use: Apply sufficient amount of product to your dry or moist face by massaging. It is recommended to use it twice a day in the morning and evening.

THERASILK BARRIER CREAM

TheraSilk barrier cream is a very special formula that has been developed as a result of R&D studies. With superior properties of Silk protein and bioactive ingredients has brought a new approach to the barrier cream. Silk Protein Sericin is a protein structure that is compatible with skin structure, which tends to keratin tissue.

THERASILK NECK PAD

Neck pad helps the neck skin throat preventing dry and reduce wrinkles. With exposure to moisture from the natural moisturizer.

Therasilk Neck pad is designed for people with allergies to certain types of coughs in the night when you sleep. Can be worn at all while driving, traveling, work in the air, and on the plane, you will feel comfortable while wearing it. Tie a scarf loosely when sleep or you can use anytime to help slow down the wrinkled skin of the neck. Ingredient: Natural Silk

THERASILK EYE PAD

Therasilk Eye Pad are made with 100% of silk that relax the mind and are a completely natural method of stress relief. Use warm to soothe tired, strained, puffy eyes. Designed to rest comfortably warming relaxation. Place the eye pad into the dish, and then put hot water into the dish before use. And place the eye pad under your eyes and rest.

Ingredient : Natural Silk 100%

Direction : Use the eye pad for soothe tired, strained, puffy eyes.

Caution : For external use only. Keep out children. Discontinue use if signs of irritation and/or rash appear.

Net Weight : approx. 3 g.

THERASILK GOLD COCOON

Skin care products are used to remove oil and dirt clogs from pores. Products applied to the skin as small particles may give damage to the skin during use. THERASILK goldcocoon allows cleaning of grease and dirt from the pores without scratching the surface of skin thanks to its absorbent structure. Stimulates blood circulation with its massage application technique. Golden silk cocoon has the highest sericin value than any other cocoons. Sericin protein in the cocoon penetrates the pores and provides flexibility for the skin.

Soak it in hot water of about 37-40 0 C for about one to two minutes. Put your finger into a moistened and softened cocoon and softly massage any areas on your skin.No need to wash afterwards. Each cocoon can be used up to 3 times.

THERASILK POST-OP SHAMPOO

TheraSilk post-op shampoo is a specially developed foam shampoo suitable for washing after hair transplantation. The best result in hair transplantation is washing and care after operation. Therasilk post op shampoo provides a soothing and restorative effect on hair follicles in addition to a soft shampoo content. Silk protein supports the binding of follicles transmitted by feeding keratin tissue.

THERASILK SOAP

Therasilk silk protein soap is a special product for those who take care to use healthy products with sensitive skin structure. Thanks to the silk it contains, it balances the skin color and cleanses the skin with its antioxidative effect.

Therasilk Parfumes are coming very soon...

SOAP HAND MADE LAUREL SOAP

LAUREL SOAP BENEFITS AND USES (DAPHNE SOAP)

- Laurel soap can be used by anyone looking for a natural, chemical-free soap, but it can also help in a variety of skin problems. The olive oil used to make this soap gives it a creamy consistency and makes it especially gentle and moisturizing.
- Virgin olive oil contains valuable antioxidants, helps restore your skin's natural balance, it has a mild anti-inflammatory effect reducing redness and irritation and it is usually well tolerated even by the most sensitive skin types.
- Virgin olive oil also rich in minerals, such as: manganese, phosphorous, potassium and vitamins: A-B-C-E-F Vitamins: it has capabilities of many therapeutic and enters in the composition of cosmetics and skin care, it nourishes the skin and gives strength and freshness and helps to remove wrinkles as well helps to nourish hair from the root and prevents hair loss and makes hair brilliant and smooth.
- Laurel bay oil is what makes Laurel soap potent when it comes to healing various skin problems such as acne, eczema, psoriasis, herpes, bacterial dermatitis, fungal infections, irritated skin but also for scalp problems like dandruff, seborrhoeic dermatitis and others.
- Laurel bay oil can help with all of these ailments because it is a natural but also strong antibacterial, antiviral and antifungal agent. Even if you're already on a treatment prescribed by a certified healthcare practitioner, Laurel soap can be an effective complementary remedy.
- If you don't have any particular skin problem, the laurel oil in Laurel soap still makes it a more effective disinfectant than regular soap but it also doesn't over-dry your skin or cause irritation. Nevertheless, it is much safer than the advertised antibacterial soaps which contain antibiotics and long-term use can lead to antibiotic resistant bacteria and various health problems.
- You can use Laurel soap like any regular soap, to wash your face and body. As a shampoo it can be effective for oily scalp, itchy scalp and dandruff caused by seborrhoeic dermatitis. It might not be suitable for you if you have dry hair. Some are also using it as a **shaving cream and even as a natural laundry detergent (you can find it as flakes for that)**. Also, you can buy Laurel soap in liquid form, or make your own. To make it at home all you have to do is grate a bar and pour hot water over it.
